Have to admit that  
Used to  
People are still watching  
A decade on  
A world-wide phenomenon  
Feed insatiable appetite  
Media attention  
Sign up  
Wouldn't if you didn't  
In the public eye  
In the headlines  
Increases the hype around the show  
Become famous overnight  
Demand for gossip  
Tabloid  
Supply that demand  
Go to ridiculous lengths  
Paparazzi  
Fill the gossip columns  
These nobodies  
Their chief claim to fame  
Earn their fame  
Maybe we need to .....  
Rethink what fame is

**Good luck!**
