The link :

1. **Get together** with my friends
2. See all **the latest releases**
3. Not have **much in common**
  
4. You **would imagine**
5. I would have no trouble at all **academically**
6. In terms of .... = .... از لحاظ
7. **All we seem to do is** ....
8. That **causes** a lot of **conflict**
9. My friends **aren't much help either**
10. **Thank Goodness**
11. **Get on well with** my tutor
12. She is very **approachable**
13. **Struggling with** my assignment
  
14. **Feel as though**
15. They are **out of touch with** the modern world
16. **Take him along**
17. We **used to** fight a lot when we were growing up
18. There is a really **close bond** between us
19. He **has already had** a few cars
  
20. **Play the** piano
21. Cello player
22. He **shares my taste**
23. **Luckily**, he **shares my taste**
