The link :

1. I **struggled with** it
2. **Like** the other kids
3. I was just **overwhelmed** by
4. I **persevered**
5. **Soon I was scoring 10/10**
6. **By the time** I got to uni, I could ...
7. **Produce essays**
8. **Without much difficulty**
9. **As part of** my university course, I had to
10. **That's when** I learned that
11. **Communication vs accuracy**
12. As soon as I arrived, I realized
13. I didn't **know how to**
14. Trying to **find accommodation** was a **nightmare**
15. I had to **keep putting the phone down**
16. I couldn't **understand a word** they were saying
17. There was a real **language barrier**
18. **There is no point in** just knowing words
19. If you can't **hold a conversation** with a native speaker
20. Fluency **is what** helps you function properly
21. It **is what** helps you find a job
