1. The piece of equipment I'd like to talk about is my iPhone **which** is a smartphone
2. It has various uses/applications/functions
3. It functions/works/serves/acts as a camera
4. Making calls & texting people
5. But more unusually for a phone, you can also surf the Internet and send emails
6. For the period of time
7. For this age = به نسبت سن اش
8. It's quite a feat = شاهکار
9. I wish my cellphone served as a pizza delivery boy
10. Needless to say
11. I wish I were, had, could, speak, knew, worked
12. I wish you wouldn't do archeological excavations
13. Though admittedly not a very good one
14. Much more besides = a lot more than that
15. Apart from = in addition to
16. Are being p.p حال استمراری مجهول
17. Many innocent children are being killed in the Middle East by the global arrogance
18. Every day thousands of people are being **displaced** = lose their home
19. I have a roof over my head = I have a home
20. New applications are being added all the time
21. An early bird catches the worm = سحرخیز باش
22. I had been **pestering** them for months =
23. At last they **gave in**
24. **Envious** (adj) = jealous
25. I envy you = I am jealous of you
26. A must-have = a necessity
27. It's a must-read / a must-see
