

94.08.29 workshop FRI session 31 Best Time of Life

The happiest time in people's life

1. Youth/old age/school years/career/retirement
2. Proponents of teenage years cite lack of responsibility as a significant factor
3. They are supported both emotionally and financially
4. They are included in family decisions, but are not ultimately responsible
5. Adolescents are on the threshold of adulthood
6. If they find a job , they can enjoy their first taste of financial independence
7. Their future study and career lie ahead
8. Away from these serious concerns
9. Young people have an active social life
10. There's the excitement of first love and first heartbreak
11. The reverse is also true
12. Adults see teenagers as anxious, insecure, self-dramatizing
13. They appreciate the joys of maturity
14. A contented family life
15. Long lasting friendships and a career
16. The fireworks of adolescence
17. Maturity gives you greater confidence
18. In all areas of life
19. You are not afraid to express yourself
20. Assert yourself/your opinion
21. Unlike a teenager, an adult knows when to let things go
22. Adult life may be less dramatic, but the stability is a great gift

Good luck!
