94.10.04 Workshop FRI Session 35 Technology & Tradition

1. Technology and tradition are indeed compatible
2. They can live side by side very comfortably
3. A leader in technology but still strongly holds its traditional values
4. Respect for elders
5. Innumerable cases throughout history
6. Where we can see
7. Technology can help preserve traditional cultures
8. Communications devices are of great benefit to geographically scattered cultures

Good luck!
