The Video Link : -----

1. Ethical = morally acceptable
2. All about = 100%
3. Not just because = there is another reason
4. Aim for sth = want sth
5. To get there = for that purpose
6. Make a **distinction**
7. **Extrinsic** and **intrinsic** value
8. Bring about
9. As a **means** to sth else
10. Hold sth to be valuable
11. For its own **sake**
12. **Engage in** exercise = do
13. **Value** sth = love
14. A **productive** life = useful
15. So **to some degree** = تا حدودی
16. Productivity
17. Like most
18. **An end in itself** =
19. **Brings in** a **modest** income = provides
20. In that sense = meaning
21. In and of itself/themselves
22. Relate to human happiness
23. Value **intrinsically**
24. **Universal** final good = global
25. The ultimate goal = The ultimate end
26. What does it **yield** = give you
27. The next question he **raises** = put forward
28. Seek it/desire

29. With some frustration = despair
30. As he puts it = mention
31. Obtain it on my own
32. Seek fame = look for
33. This won't work = useless
34. In the end = finally
35. The exercise of reason = اعمال منطق

Good luck!
