By Mary Khorami 1-Struggle = grapple Struggle by/with I remember the first time I started to learn language, I really struggled with it. Some Iranian families are grappling with economic problems. محل استرس-2 ' ec'onomy econ'omic p'hotograph phot'ograph photog'raphic psyc'hology psychol'ogical I study psychology, I am familiar with psychological problems. 3- unlike / as opposed to/ as against. /in contrast to.

unlike most countries in the world who have a normal relationship with the US, Iran is their enemy.

از توان من خارج است 4- I am overwhelmed

I can endure little stress, this amount of stress overwhelmed me.

Do not overwhelm the students with too much vocabulary.

یشتکار داشتن5- persevere

When I was starting learning English, everybody made fun of me, but I ignored their snide comments and persevered.

Soon I was scoring 10 out of ten.

6- by the time/before I got to university, I could produce essays and translate 18 century texts without much difficulty.

7- she produced her card. کارتش را از جبیش درآورد و نشان داداد.

8-As part of my university course I had to go and live in France for a year.

9- That's when I learned that communication is more important than accuracy. ...اون وقت بود که فهمیدم

10- No sooner+had+Subject+ p.p

No sooner had I sat down than one of the students asked a question.

No sooner had she opened the present than she returned it. Returned it.

Returned it.

11- trying to find accommodation is a nightmare.

12- there is no point in talking to these people.

13-Hold the conversation
