In many countries the amount of crime is increasing. What do you think are the main causes of crime? How can we deal with that causes?

It is said ~~Word say~~ that the amount of crime is increasing and in many countries , statistics prove ~~approved~~ this theory, so ~~. So,~~ it has some major factors that could be researched ~~about~~ which include ~~. Some of these factors could~~ binding ~~the~~ one's life to crime. Society ,family and individual characteristics ~~charactrestics~~ are the areas that involve~~d~~ these factors.

Today the life cycle of human beings has been s~~t~~imulated by scientists and all of the negative factors that people could be afflicted by , are recognized. In aspect of Personal characteristics like formative years p~~h~~sychological problems could be effective. It could remarkably ~~could~~ be prevented in elementary schools or by controlling the communications with other children. Many Characteristics could be ~~transfer~~transferred to the next generation genetically , even those resulting in crime. Undermining these characteristics by environmental elements can make them fade ~~them~~ away.

Family has an important role in crime potential reduction. Not only ~~are~~ should parents be ~~should~~ careful about children's body hygiene, but also ~~should~~ look after their behavior hygiene . Family, as the smallest ~~most little part~~ unit of society should do their best for promotion of culture ~~pedagogy~~.

In the domain of society, governments have execution power and could control crime by introducing ~~approving~~ many corrective laws. Furthermore , they could provide the basics for people to live healthy in all dimensions. If governments had appropriate intervention in particular domains like economy ~~economics~~, job creation, the welfare state, inflation control ~~and....~~, they would substantially control crimes ~~spectacularly~~.

Consequently, a perfect pedagogy that is driven by the educational system , family and society not only could decrease the amount of crimes but also lead to a brilliant culture . But we should carry/bear in mind that crimes have ~~been~~ always existed in all kinds of societies and ways of confronting it ~~to that~~ is controversial.
