

Many people prefer watch foreign films rather than locally produced films. Why could this be?

Should governments give more financial support to local film industries?

Watching movies is one of the most popular ways of spending time on vacations or in the evening at home. Some movie fans believe that foreign movies are more attractive and ~~wealthy-worthwhile~~ to ~~visit~~see, hence why we should waste our time on visiting local films. They assume that authorities should pay more attention to rais~~ing~~e the quality of movies by allocating a certain amount of money to this area.

Watching movies that are made ~~in~~ abroad could be a suitable way to cement the relationship between countries by having interactions through the film industry. ~~of producing movie~~. In addition, in this way inhabitants ~~got~~get familiar with foreign cultures and their lifestyles have some beneficial effects on their life. Another important issue is associated with learning new languages. Some teachers claim that the best way to learn a new language is watching series or films that speak~~s~~ in that language.

~~Despite Although the~~ given benefits related to watch~~ing~~ foreign movies, researchers show that **watching** ~~inner domestic~~ programs ~~are is~~ more attractive to individuals and the major cause ~~of about movie-watchers' attention to films produced abroad attracting member of the public to abroad~~ is the~~ir~~ quality. Iranian movies are mentally and characteristically closer. Furthermore, they might be the best tools ~~for to~~ governments to get closer~~r~~ to citizens and teach them some subjects. For instance, notifying about the history of their own country, ~~visitors-viewers/movie fans are~~ proud of some remarkable achievements of famous poet~~s~~ and historical characters. What is more, providing job~~s~~ and supporting ~~artists them is are other one of other~~ benefit~~s~~ cial matters to them. ~~regarding supporting Iranian artists~~.

On the whole, I personally believe that supporting people in different industries is an undeniable duty of the government. The more financial support by government, the more ~~getting~~ promotion in job~~s~~.
