

In many countries the level of crime is increasing and crimes are becoming more violent.

Why do you think this is and what can be done about it?

Give reasons for your answer and include any relevant examples from your experience.

Unfortunately, we are ~~the~~ witness ~~to of an~~ increase in ~~commission of committing~~ crimes and breaking rules in modern societies. Studying about the ~~measures to reasons which can~~ combat crimes seems to be necessary for each society to keep itself safe. ~~Lack~~ Lack of attention to people who live below the poverty line, introducing wrong laws and taking advantages of youth cause ~~an~~ increasing trend of committing crimes.

There are a lot of people who every day break the law to earn money just to afford the ~~basic needs necessity of for~~ their family. ~~to be alive~~. Moreover, income inequality is one of the main motivations to perpetrate ~~wrongdoing~~. Indeed, as the gap between the poor and the rich is widening, not only are the crime ~~esthetics-statistics increasing getting increased~~, but also the crimes ~~themselves~~ are getting ~~/becoming~~ more ~~violation violent~~.

It is also the responsibility of the governments to introduce some suitable laws to combat crimes. ~~In On the~~ other words, passing and abolishing some laws by administrative authorities are very effective to make people obey the laws. Introducing the laws which be applicable for the officers to enforce them is another Achilles' heel of governments which has very significant effect on our society.

Because youth will be the vulnerable time for every person, there are a lot of people who want to take advantage of them. In fact, shortage of the knowledge of crimes and ~~the~~ consequences of committing crimes causes young people are at the risk of breaking laws. So, just ~~with by~~ spending some portion of the money to increase the knowledge instead of building the prison, it is possible to decrease the vast majority of non-violent and drug-related crimes.

The increase in committing crimes ~~/crime surge~~ will undoubtedly threaten the safeness ~~/safety~~ of ~~the~~ society. In my opinion, just by application of some solutions, including improving the economic situation, introducing applicable laws and rais~~inge~~ the criminal knowledge of young people, most of the crimes are preventable.
