In many countries, schools have severe problems with student behavior

What do you think are the cause of this?

What solution can you suggest?

One of the processes that has significant <u>role</u> in an <u>individual</u> life is Education .generally students who are studying at different schools ,behave distinctively. Some problems which <u>are existed</u> at school <u>of</u> are mentioned here in particular stealing , truancy ,<u>Disobience</u> , insubordination ,lying , fighting ,cheating and rudeness <u>the</u> in this paper the most vital problematic schools factors that <u>leads</u> to <u>the</u> author <u>is going</u> to arguearguing the reason and discuss <u>the</u> how to avoid <u>scarping</u> students from the schools

probably one of the main <u>cause</u> of truancy is both age and circumstance .however; other factors lead to <u>they miss schools</u> which includes the family issues, having <u>unsecure</u> feeling, the financial demands and <u>the</u> substance abuse In order to tackle the <u>student's</u> who are missing <u>schools</u>, some tips have been brought up, which <u>contains</u> a) having a counseling group students who have manners problems is one of the strategies that can <u>implies</u> that <u>.beside</u>; teachers should be both empathic and also remind them <u>of</u> their responsibility particular We so needed you yesterday to help with the big class project theses students who have failed grades, no point in returning to school. therefore; giving extra time to those <u>student</u> in order to make up missing work <u>provided</u> that with parents'

As it has mentioned the above fighting was schools manner's problems. Some procedures have brought which involve in a) firstly remove agitated students from the classroom or redirect their attention to an activity they enjoy. Secondly, move closer toward defiant students without invading their personal space or appearing that you want to overpower them. Thirdly stay calm and avoid giving the impression that you are angry, shocked, or scared. Then Take a few seconds to relax and consider the most appropriate response before reacting to a student who is provoking you. Finally Use nonverbal behavior such as softening your voice, sitting next to the student, maintaining eye contact, and slowing your speech.

The last problems that most schools are encountered with <u>with</u> is rudeness that has some features such as speaking without permission, having many friends, and having aggressive manner

In order to avoid behaving <u>rudeness</u> neither <u>do parent</u> punish nor <u>do threat</u> him; moreover. Parents have to give him responsibility; <u>meanwhile</u>. Having discussion with parents will be useful.

In sum there are many different students who are studying at <u>variety</u> schools .; in the <u>mean time</u> . Teachers have to according to their distinctive personality, behave distinctively; <u>beside</u>. Attempt to help them to increase their motivation to <u>constant</u> their education.
