

## Essay 2:

Some parents buy their children a large number of toys to play with.

What are the advantages and disadvantages for the child of having a large number of toys ?

These days, we shall see many parents all around the world, who want to buy a lot of toys for their young. They give themselves this right, to improve their children`s ability by gathering many objects which is the advantage of this issue.

Although ~~t~~ many people want their ~~cubs-kids to~~ be clever and smart to have success in their challenges.

One good step, is starting to bring various kinds of toys for youth, playthings, but not very much. It`s not good/beneficial to showering their sons and daughters with a mountain of these colorful toys with a lot of differences in shapes, sizes and many ~~recomanded-~~ recommended solutions to solve the questions.

Does it work with huge tons of toys ?

~~There-this~~ is a question which, may concern parents for speeding up children`s developing important parts of the brain to learning new subjects. Here ~~wealthful-wealthy~~ parents will do that ~~defentlydefinitely~~, by getting modernly designed toys, which would insist on effects on the process of their knowledge. Toys like puzzles, will suggest ~~middle-aged-~~ kids to breake the bore and earn a little joy, but much experiences with locating them by their colors and

different shapes. ~~By as a~~ result, its ~~the~~ most positive action to entertain boys and girls ~~with by simulate simulating~~ objects to ~~improving improve~~ their interests. On the other hand, many experts believe, many recent toys will be dangerous for people and our environment, so infants like to ingest. Harmful objects like them, have BPA that is ~~poisen-poisonous~~ and caused many diseases. Also increasing trash ~~es~~ by producing tons of plastics.

To sum up, parents have to make an informed choice about objects for their offsprings. It's ~~offcourse-of course~~ one of the ~~extrem-certain~~ parts of their duties to ~~avoid-prevent~~ their youngs from harm and disability about this situation, besides not ~~to make-creating~~ distance in social activities.
