

Dear Ms.Elham Sadri,

I do appreciate your kind caring offering email. I would love to apply for the LLM program and scholarship application as well. As you mentioned, Iranian students confront some financial difficulties, so scholarship will definitely help. I will be thankful if you guide me through both the LLM application and scholarship application.

I hold a bachelor's degree in Civil Law from University of Tehran ~~as well as also a~~ master's degree in Private Law from Islamic Azad University of Science and Research Branch in Tehran. Moreover, I have been an Iranian lawyer for ~~six 6~~ years. I finished Oil and Gas Contracts and Law post-graduate courses in University of Tehran.

I have read the website. There are some vague points that I would like you to make ~~them~~ clear.

Please give me more information about the LLM program and let me know whether it is course-based or research-based.

I would ~~appreciate it if you explained like to ask you to explain~~ more about the Application Requirements, part 2 about Transcript Evaluation.

I am looking forward to hearing from you soon. Thank you for your attention and time in advance.

Truly yours,

Maryam Azimi
