

Dear Prof.

With best regards, my name is Zahra Ghorbani, a B.S. in architectural engineering at the University of Shahid Beheshti, one of the oldest and most prestigious universities in Iran, and I ~~have applied~~ am applying to the MSc program in University of Waterloo. I have visited your webpage and since I find my research interests very much close to your work, I would be pleased to continue my complete graduate studies under your supervision.

Furthermore, if there are any questions related to my projects or academics which I ~~might have~~ have ~~might~~ left unstated, I would be delighted to answer upon your request. I would be most appreciative to receive any comments from you.
Thank you very much for your kindness and attention.

Sincerely,

Zahra Ghorbani
