

Dear Sir/Madam

I am writing to you to give my greatest appreciationed to you and your employeess with high quality service and food that ~~has been~~ was provided for us last night Friday for me and my husband's party.(wedding/anniversary)

We and twenty of our friends and relatives were there to celebrate our 5th marriage anniversary and we ~~were~~ ~~have been~~ given a professional servicess from waiters, serving foods and stuff. The waiters were absolutely experiencedd and qualified also we did not even notice them during the night. Everything was available without any request form us. We found out about this after the party when we were reviewing that night.

I should tell you that your food quality was the best among other restaurantss which we ~~have~~ ~~were~~ tried recently. In addition, the food appearance was ~~the~~ as same as its advertisement which I found hardly happeninging in other restaurants. I would definitely suggest your restaurant to others.

At the end I had great time and I was delighted to choose your restaurant and I hope your foods and service quality do not change in time as other restaurantss.

Yourss sincerely

Mahnaz Asadi
