Some people believe that schoolchildren should be made to wear a uniform. Others feel that children should be free to choose their own clothes. Discuss both sides of the argument.do you agree or disagree with pupils wearing uniforms?

Schools and other educational areas are considered as one of the primary social environments in order for to children to learn more about individual and social issues which is are necessary for their future lives. However, some people claim that wearing the same uniforms are is likely to provideing a way to access achieve more order at schools while others argue this methods may be harmful for individuals. In continuatione, this essay explains about the pros and cons of these contradictory viewscontravention acknowledges.

Those people who <u>are</u> in favor of uniforms believe that integrated wearing methods contribute <u>to</u> students looking more smart (<u>like gentlemean</u>). In addition, it was given opportunity to schools <u>for to</u> maintain discipline easier and reduce truancy. In the same way, it helps identify students of particular school, especially when careless pupils separate from their groups in educational excursion such as visiting museums. Uniforms also are considered <u>a</u> useful solution <u>with theby</u> making a balance and providing <u>a</u> fairness system <u>on in conditions</u> that <u>the gap differentiate</u> between family classes of students <u>would beis profoundwide</u>.

On the other hand, some others oppose the wearing uniforms saying that they restrict pupils in their freedom to be free in choosing their own clothes to gain enough sense of fulfillment. Moreover, if they wear a different range of favorite colors, it can put exert/have a significant effect on their confidence and they become fresher. Despite of wearing the same clothes every day.

In total, I personally <u>see</u> nothing wrong <u>to see</u> with wearing uniforms at schools, while there are various places outside the school gates to wear individual clothes that students can dress what they like it also gives them chance to experience some workplaces conditions where <u>a fixed</u> dress code is common. In fact, they can get more familiar in case of <u>facing cope with</u> it in future.
