Mobile phones and the internet have made it easier to stay in contact with other people. However, as a lot of time is spent using telephones and computers, there is less face to face contact and direct communication. **"Is the growing use of communications technology a positive or a negative development society?"**

Last decades we have encountered ~~with~~ huge numbers of developments and inventions of technologies so that our lifestyle ~~have~~ has been changing a lot.

There is a great controversy as to whether ~~is it~~it is ~~a~~ good or bad for life of humans.

Firstly, most of activities are easier by technologies and also we can save up our time efficiently. In other words, new inventions and platforms are the inevitable members of our new life.

For example, instead of going to information booths and buying a newspaper we can read all categories by the internet or we are capable ~~to run~~runoff running a meeting with everyone ~~in~~ everywhere by ~~making~~ video conferencinge.

Secondly, some of the applications in phones make everything ~~cheapest~~ cheaper and more reasonable such ~~those~~ that related ~~about~~ to getting taxi that was a big revolution in the transportations industry.

Moreover, the internet ~~make~~ plays a big ~~roll~~ role in updating people in terms of daily news, the rate of currency and connecting people. According to researchers, the rate of marriage by the internet has been increasingly a lot.

There are a lot of downsides ~~sides~~ so that people using the internet which affects ~~to~~ human life. For instance, youngsters ~~take~~ spend too much time on social networks so they do not have enough times for hanging out and communicating with family also they ~~wasting~~ waste time by playing games with computers. Furthermore, young people face many new habits and manners throughout the Internet which ~~causing~~ creates a counter culture for themselves.

In conclusion, I believe that using new technologies such as mobiles and the internet is brilliant but if you ~~can not~~cannot manage your time it will be harmful and will wasted your time.
