

Universities should accept equal numbers of male and female students in every subject~~s~~.

To what extent do you agree or disagree?

In League of Nations the parallelism of these two sexes ~~are-is~~ supersensitive, so the government endeavors ~~s to adopts treat them~~ equally.

Totally I go along symmetric entrance, but we should remember some fields are not suitable for women or inverse. We must pay attention to development of society, ~~that's why it~~ ishence the important importance of the necessity of experienced ~~and mastered masters for~~ as work force. ~~Videlicet for instance, partly some~~ majors like ~~diggings-mining~~ which is why formidable work fits ~~to~~ a man. ~~Athwart on the other hand,~~ unlike hard tasks, a gentle job needs graceful mentality.

We should make every effort to maintain progress in existence. The main moot point is the effects of climate on the welfare of man, ~~so-So~~, if needed we would accept the same ~~extent-~~ number of students.
