

Do you agree or disagree with the following statement? It is important to know about what is happening around the world, even if it is unlikely that they will affect your daily life. Use specific reasons and examples to support your answers.

Everyday events will occurred all around the world which nowadays most of them are depressing and you will ~~understand~~ learn, even if you do not read newspapers or use social media willy-nilly because you will hear from other people ultimately but ~~in~~ from my viewpoint knowing what is going on in the world ~~have~~ has some benefits which I will explain with a couple of examples.

To begin with, we all living in a global village ~~which~~ where each occurrence ~~have~~ has influence in people's' life, so it is more effective that we up to date ourselves by what is going on in the whole world because it can be practical for our life. For instance, when the Coronavirus occurred, if China ~~had~~ had not taken no step ~~mediate~~ and we ~~did~~ had not followed the news, we would not have realized how ~~it is~~ serious and dangerous it was or how we ~~can~~ could deal with it. Besides, it would ~~effect~~ affect on people's' life in terms of international business. For example, it is announced in the news that one of Mercedes Benz shareholders is selling ~~sells~~ his shares, so if you have adequate budget you can investment.

Another point is that it can enhance your knowledge and your vocabulary. Everyday, at some point in the world, they may come up with a series of scientific discoveries which might be beneficial to humanity. For instance, ~~concern~~ cancer treatment by changing eating habits. In addition, knowing the whole world news by using newspapers has advantages because they are informative, so your vocabulary will be improved subconsciously. For example, it is a given fact that our grandparents are better in literature compared to the new generation because reading a newspaper is one of their hobbies and has become a habit.

To recap, Although it is obvious that nowadays news consists of more unpleasant ~~events~~ stories, awareness of them might ~~aim~~ aid humanity in all areas such as medicine, ~~economic~~ economy, ~~political~~ politics and ~~society~~ and and also it might increase people's knowledge and their vocabulary which on the basis of these reasons that were mentioned above ~~they~~ will help people to have a high quality of life.
