loophole = ways to escape law

you don't know what you are up against =
go through

what gives? So what

Corporate America = businesses and companies

If people turn out = participate in elections

Sour grapes = پیف پیف بو می ده

Appointed

Elected

Print house = چاپخونه

Lavish = spending money too much

Enough is enough = disgusting, put an end to it

Throw people off of healthcare = not let them have healthcare

Repeal the Affordable Care Act = cancel it

Cut nutrition programs = stop giving free food to children and poor people

Struggling to put food on the table = feed people

Devastated = ruined

We are running long = we are late, this took a long time

It resonates to/with a lot of people = people like the message

Put someone on/in a hot seat = ask tough questions

Awkward = strange

Civil rights demonstration = demonstrations for people rights

To be in handcuffs = arrested or

Goes without saying = clear

They are commenting on your hair = they give their opinion

Good luck
