Time has not laid a glove on you = you look young

I sleep hardly at all = rarely

So charming = attractive

You are so softie = maudlin

Octogenarian = someone over 80 years

Cry at movies = cry while watching a movie

Taking a chance = risk

Under the influence = drunk or addicted

An extra plug in there =

Some of the **liberals** got **mad** at you = angry

Bring on the revolution = create commotion

The shepherd boy = چوپان دروغگو

The political atmosphere has gotten whipped into a frenzy

Little bits and pieces taken out of context =

I'm not going there = I'm not discussing it
