Politically correct = not direct

A **political odyssey** = journey

40 years **in the making** = the duration of a project

Go to your **podiums** = where a speaker speaks

Presumptive nominee = probable

He has **had his eye on** the White House = desire sth

Outspoken = candid

Political establishment = those in charge

He is without **substance** when one scratches below the surface = knowledge or experience

A growing army of supporters

His poll numbers **spike** = go up

The more controversy he **courts**, the more energized his base seems to get = use

Personification of the American dream

To **start off** = begin

I'm just **not big on excuses**

To **brag** = exaggerate

Put it in perspective = make it more tangible

Enormously wealthy = very rich

Good luck
