

94.07.10 workshop FRI session 24 Anti-drug Ad Campaigns

1. Regrettably
2. experiment with drugs
3. Many argue that
4. Long prison sentences are futile, pointless, to no effect
5. Develop an antisocial attitude
6. Drug abusers grapple with addiction
7. Render you prone to sth
8. Not suggesting that necessarily
9. Once trapped, what are the odds of releasing yourself?
10. Anti-drug campaigns are meant to
11. Deter people from verb+ing (experimenting with)
12. Have produced little or no success at all
13. Launch a more effective campaign
14. Raise public awareness, educate young people
15. Engaging families
16. Advertising campaigns where ex-addicts are invited to share their suffering/previous miseries
17. Lack of political will

Good luck!
