

94.07.03 workshop FRI session 23 Tourism Benefits

Economic, socio-cultural and environmental benefits

Social benefits

It can bring about a real sense of pride and identity among the local community

Showcasing distinct characteristics

Of their ways of life, history and culture

Encourage the preservation of tradition

Environmental benefits

Provides financial support for preservation of ecosystems

Natural resource management

Economic benefits

Provides jobs directly to the local economy such as tour guides, housekeeping

Indirect employment is created

Like agriculture, retail, food production

Visitors' expenditure generates income for the local community

It leads to alleviation of poverty

Heavily reliant on tourism

Economic diversification is important to the area

Concentration of environmentally damaging industries

Infrastructure development like airports, roads, hospitals

They can benefit the economy

Tourism can aid economic development

Allowing more trade

Tourism also brings Good luck!
