

Undermine national security

Rather than

I prefer to study rather than die

All my advice fell on deaf ears

Their call have, to a degree, fallen on deaf ears

To a certain extent

Up to a point

To a degree

To some extent

Pangs of conscience

With remorse

Repent of sth

Pollution is in large part due to car emissions

He is accused of leaking classified information

Accuse sb of = charge sb with

Asylum

Appeal for asylum

Cause long-term problems for US-Russia relations

Expulsion

It is working its way through proper channels

Any right to asylum will be revoked if he reveals further material.

It is a condition that Snowden has agreed to

A subject that I am interested in

Good luck
