

### **93.08.023 traffic**

**Has become a major problem**

**The number of / the amount of**

**This is due to individuals traveling a lot**

**For work/study/shopping purposes**

**During/in rush hours**

**Such daily commuting is unnecessary**

**One proper alternative is online work**

**Distance learning would be a further alternative**

**Available via the internet**

**One of the downsides to telecommuting is less social contact**

**Has a large impact on society**

**This practice could reduce traffic accidents and carnage**

**Non-road-based public transportation**

**Sky trains/subways**

**A more acceptable alternative**

**Incarceration=imprisonment**

**It would alleviate the strain on PT**

**Our crumbling transportation infrastructure**

**Reclaim the jobs lost to off-shoring**

**Emancipate the latchkey kids**

**It would save them billions of dollars**

**There are real inhibitors**

**Good luck**
