

Friday Speaking Workshop Session 17 94.05.30 shopping

- 1. It used to be a chore, but recently it has become a pleasant outing**
- 2. It cannot be regarded as a wholly positive development**
- 3. For earlier generations, it involved visiting several shops**
- 4. The same limited range on offer**
- 5. Credit was not widely available=the availability of credit cards**
- 6. Shoppers nowadays can find almost anything**
- 7. The comfortable environment, the variety of goods and attractions**
- 8. Nowadays with many parents working full-time,**
- 9. families have little time together**
- 10. the whole family can spend some time together.**
- 11. Nevertheless, this is not ideal since it leaves no time for other activities**
- 12. Safe environment, but it can tempt them to buy unnecessarily**
- 13. This can cause them to get into debt**
- 14. Although shopping is less tedious, this is not necessarily a positive trend**
- 15. It might be good for retailers, but definitely not for customers**

good luck!
